

# EVERY HOUR MATTERS. EVERY LIFE CHANGES.

*Because what fills their minds shapes their hearts.*

Thank you for your interest in Mansfield Christian School!  
We're excited to walk with you as you explore this incredible opportunity.

At MCS, we believe the 1,000 HOURS students spend in the classroom each year are an eternal investment. Since 1961, families have chosen MCS for our Christ-centered mission, caring teachers, and strong community.

A recent ACSI accreditation team said it best: "Student success at MCS is owed to the mission-driven culture... there is tremendous unity of purpose."

That purpose shapes every hour: the teaching in our classrooms, the decisions in our offices, and our focus on spiritual growth and academic excellence.

At MCS, every hour matters and every life changes because what fills their minds shapes their hearts. Through the 1,000 Hours Campaign, we're expanding our campus to make each of those hours even more impactful for more students.

It's a privilege to lead MCS, and we're grateful for every family who joins us in this mission. May God guide each step and every hour for His glory.
